## ABOUT 'A. M. ABDULLAH & CO.'

### Our Practice

A. M. Abdullah & Co. is a multi-disciplinary professional service provided chartered accountant firm providing audit, tax, legal and operational advisory to business. Operation across the country, our mission is to guide entrepreneur/ owner/ company through country's complex regulatory environment and assist them with all aspects of establishing, maintaining and growing their business. With on-the-ground experience and a large team of auditors, income tax practitioners, lawyers, HR and IT professionals, as well as business analysts, we are your partner for growth of your business.

### Our Services

Our services include pre-business and entry strategy advisory, due diligence, corporate establishment and management, tax advisory, statutory audit, accounting and reporting, treasury administration, financial review, internal audit and compliance, human resource administration, payroll management, IT system review and management, as well as accounting software advisory. In essence, we hold our clients' hands through the entire business cycle. Our expert staff regularly communicate and travel to various businesses to pool, share, and enhance our already extensive intelligence on doing business. This unique aspect of our business model enables our firm to provide a detailed and accurate picture on the latest developments in the country regulatory matters. We provide unique business insights and holistic solutions that other firm can't equal.

### Our Clients

Our clients are typically mid-cap companies, subsidiaries of publicly listed corporations, large family-owned enterprises, as well as larger group of companies. We are as comfortable advising entrepreneurs as we are with aiding well-established businesses. Our diverse client base allows us to strengthen the knowledge base that we continue to utilize in assisting our clients to do business across Asia. We have planned to serve 500 clients across the globe.

Our industry practices include:

- ❖ Manufacturing
- ❖ Trade and E-Commerce
- ❖ Education
- ❖ Entertainment and Sports
- ❖ Environment and Clean-tech
- ❖ Food and Beverage
- ❖ Healthcare
- ❖ Information Technology
- ❖ Non-Governmental Organizations
- ❖ Professional Services, etc.

We offer considerable business intelligence and resources for business looking to establish and grow in Bangladesh as well as other countries. As experienced, our dedication is to provide practical and meaningful solutions to clients is the reason that we expect, our practice will become the market leader in near future.

## OUR VISION

**We will win together for the best, the competent and the compliant services.**

## OUR MISSION

**We will deliver excellency in all respects. We build our house as a "serve to the edge".**

## OUR CORE VALUES

**Our core values are-**

**Growth:**

We learn and grow together. We make our valuable business partners' learned for sustainable growth. We are passionate for adding value today better than yesterday.

**Competency:**

We adhere with professional ethics, competencies and values. What we do is right with our professional competencies.

**Responsibility:**

We care ourselves and our business partners. We take responsibility of each work with 360-degree consideration to make us success.

## OUR SERVICES

A. M. Abdullah & Co. engages various professionals, including accountants, tax practitioners, lawyers, auditors and business specialists. Our expertise is based on team experience collaborating across diversified professionals.

Our experts at the Firm provide services tailored to the unique challenges facing national and international businesses in country. The Firm's services help decision makers manage the legal, tax, and operational challenges facing in our country.

### STATUTORY AUDIT

Assurance services draw independent opinion based on the subject matter of the various clients. Type of assurance services depends on the clients' requirements to form reasonable assurance or limited assurance. Our assurance services provide high quality independent that transcends boundaries of conventional reporting.

We devote our best time and give our best exertion to understand clients' business environment, risk exposures and competitive opportunities.

We employ people development programs to stay abreast of key issues, global best practices and latest technical updates, be it Accounting Standards, Auditing Standards or Government Laws and Regulations or Regulatory Bodies' requirements.

Our independent opinion, strong competency, value-added approach and partnership philosophy made us highly respected by our clientele. Audit & Assurance Services include-

- ❖ External or Statutory Audit
- ❖ Provident Fund Audit
- ❖ Gratuity Fund Audit
- ❖ WPPF Audit
- ❖ Process and Compliance Audit
- ❖ Agreed Upon Procedure Engagement
- ❖ Risk Based Management Audit
- ❖ Other Assurance Services

### ACCOUNTING

International Financial Reporting Standards (IFRSs) are applicable in Bangladesh, but still vary greatly in practice and many cases not following accounting standards at all. We provide expertise on a vast array of company-specific accounting issues to help your management team understand the business performance and the financial monitoring and management of your business.

The rapid pace of regulatory changes in Bangladesh requires experience and expertise from accounting teams. With our expert professional of versatile experiences in various sectors, we understand the complexities involved in keeping our clients' accounting practices compliant. We endeavour to ensure that our services help clients concentrate on their core business operations.

- ❖ Bookkeeping
- ❖ Financial Reporting
- ❖ Consolidation of Financial Statements
- ❖ GAAP Adjustment
- ❖ Accounting Advisory
- ❖ Physical Inventory Verification
- ❖ Budgeting and Financial Analysis
- ❖ CFO and Finance Manager Function
- ❖ Recruitment and Training of Clients' Finance Team
- ❖ Selection/Implementation of Accounting Software

## **TREASURY ADMINISTRATION**

Treasury administration is of paramount importance in business. Given its importance, we act as an independent party to ensure our clients' funds are deployed following management approval guidelines. Our dedicated account managers act as an independent bank account signatory to facilitate payments, remittances, and transfers.

- ❖ Traditional and e-Banking Processing
- ❖ Bank Transaction Filing
- ❖ Reimbursement Claims
- ❖ Declaration Reporting for Foreign Currency
- ❖ Bank and Petty Cash Reconciliation
- ❖ Signatory and Approval Services

## **ACCOUNTING SOFTWARE**

It is only a matter of time before traditional accounting functions are superseded by IT and software-driven processes, which will allow for seamless 24/7 accessibility and interaction. AMAC is at the forefront of this innovation process, investing our resources to master various ERP and financial accounting software – both cloud and server-based. Our accounting staffs works across a wide range of platforms. We help our larger clients to configure comprehensive ERP solutions on SAP, Tally etc. applicable application software. For clients that don't require such a high level of complexity, we will help them to enhance their home grown or other easy applicable software. This flexibility showcases our capacity to add value to your business in line with best international practice.

## TAX

Tax laws and regulations in Bangladesh are continuously being updated and refined. Our team of passionate professionals are accustomed to navigating this fast-paced environment.

The fast pace of tax reform, combined with sometimes inconsistent with practice and enforcement, makes the tax landscape difficult to navigate for many. Companies face a number of tax challenges throughout all stages of their business cycle. The Firm's tax professionals have a deep understanding of country's complex tax environments, as well as in-depth industry knowledge and experience. Our experienced team of tax accountants, lawyers and ex-tax officials can help on a wide spectrum of tax service areas across all major industries.
